

'His lightnings light up the world; the earth sees and trembles.' -Psalms 97:4

'You believe that God is one; you do well. Even the demons believe—and shudder!'
-James 2:19

Both the earth and the demons have a physical reaction to the mere thought, or to the actions of God. They do not have to be told how awesome He is or be encouraged to respond. His greatness is enough to make them tremble.

So what is our response to God? When those of us who have confessed Christ as Lord think about Him or hear His name, are we supposed to shake? Actually, we can respond several ways to Him. We can be prompted to worship, or even realize how small we are and fall to our knees in repentance. And, throughout scripture, we are instructed to simply be still.

For example:

"Be still, and know that I am God. I will be exalted among the nations, I will be exalted in the earth!" -Psalms 46:10

'The Lord will fight for you; you need only to be still.'
-Exodus 14:14

"Be still before the Lord, all mankind, because he has roused himself from his holy dwelling." -Zechariah 2:13

We are God's children, so we do not have to worry. Armies of demons or the whole earth itself could rise against us and we need only to be still and know that He is God. He fights for us. Did you get that? The God who makes the earth tremble is on our side and fights our battles.

The world is crazy right now. There is a lot of uncertainty out there. And since we are stuck at home it seems we have a lot more time to dwell on the bad things. Maybe today it would be nice just to be still and dwell on the fact that the almighty Creator of the universe is in complete control and He loves us. Spend some time with Him today and thank Him simply for who He is.
